

Some Entertainment Suggestions.....

The choice of music for your event is an important decision. The hotel does not have a resident band but, to act as a guideline, we provide below a list of the bands that have played in the hotel on a regular basis.

This does not constitute a recommendation and we would suggest that you first see the band before making a booking. Bands are contracted outside any arrangements made with the hotel and must be paid directly.

Name	Contact	Phone
Pro DJs	Dave Morrison	087 265 2788
